<sup>1</sup> Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

July 25, 2022, a decision was issued awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 21.

Petitioner has now filed a motion for attorney's fees and costs, dated January 6, 2023, (ECF No. 27), requesting a total award of \$22,692.68 (representing \$13,572.50 in fees and \$9,120.18 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2. Respondent reacted to the motion on January 20, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. ECF No. 28. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's requests and find a reduction in the amount of fees to be awarded appropriate, for the reason listed below.

### ANALYSIS

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Counsel must submit fee requests that include contemporaneous and specific billing records indicating the service performed, the number of hours expended on the service, and the name of the person performing the service. See *Savin v. Sec'y of Health & Human Servs.*, 85 Fed. Cl. 313, 316-18 (2008). Counsel should not include in their fee requests hours that are "excessive, redundant, or otherwise unnecessary." *Saxton v. Sec'y of Health & Human Servs.*, 3 F.3d 1517, 1521 (Fed. Cir. 1993) (quoting *Hensley v. Eckerhart*, 461 U.S. 424, 434 (1983)). It is "well within the special master's discretion to reduce the hours to a number that, in [her] experience and judgment, [is] reasonable for the work done." *Id.* at 1522. Furthermore, the special master may reduce a fee request *sua sponte*, apart from objections raised by respondent and without providing a petitioner notice and opportunity to respond. See *Sabella v. Sec'y of Health & Human Servs.*, 86 Fed. Cl. 201, 209 (2009). A special master need not engage in a line-by-line analysis of petitioner's fee application when reducing fees. *Broekelschen v. Sec'y of Health & Human Servs.*, 102 Fed. Cl. 719, 729 (2011).

The petitioner "bears the burden of establishing the hours expended, the rates charged, and the expenses incurred." *Wasson v. Sec'y of Health & Human Servs.*, 24 Cl. Ct. 482, 484 (1991). The Petitioner "should present adequate proof [of the attorney's fees and costs sought] at the time of the submission." *Wasson*, 24 Cl. Ct. at 484 n.1. Petitioner's counsel "should make a good faith effort to exclude from a fee request hours that are excessive, redundant, or otherwise unnecessary, just as a lawyer in private

practice ethically is obligated to exclude such hours from his fee submission.” *Hensley*, 461 U.S. at 434.

### ATTORNEY FEES

Petitioner requests the following rates for attorney Laura Levenberg and the attorneys of Muller Brazil as follows:

	2018	2019	2020	2021	2022
<b>Max Muller</b>	X	X	\$350	\$375	X
<b>Laura Levenberg</b>	X	X	X	\$350	\$375

The rates requested for Mr. Muller are reasonable, and consistent with what has previously been awarded, and shall therefore be awarded herein. Ms. Levenberg, however, was previously awarded the lesser rate of \$275 per hour for her time billed in 2021 and \$350 per hour for her time billed in 2022. See *Mayo v. Sec’y of Health & Hum. Servs.*, No. 20-1112V, 2022 WL 4483962, (Fed. Cl. Spec. Mstr. Aug. 26, 2022); *Milligan v. Sec’y of Health & Hum. Servs.*, No. 21-1382V, 2023 WL 2054232, (Fed. Cl. Spec. Mstr. Jan. 30, 2023); and *Long v. Sec’y of Health & Hum. Servs.*, No. 20-1781V, 2023 WL 2053928, (Fed. Cl. Spec. Mstr. Jan. 30, 2023). I find no reason to deviate from the previously awarded rates. Accordingly, I reduce Ms. Levenberg’s rate to \$275 per hour for her time billed in 2021 and \$350 per hour for her time billed in 2022, to be consistent with the rates that have been previously awarded. This results in a reduction of **\$1,137.50**.<sup>3</sup>

### ATTORNEY COSTS

Petitioner requests \$9,120.18 in overall costs. ECF No. 27 at 2. This amount is comprised of obtaining medical records, shipping costs and the Court’s filing fee. I have reviewed all the requested costs and find them to be reasonable and shall award them in full.

### CONCLUSION

The Vaccine Act permits an award of reasonable attorney’s fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner’s Motion for attorney’s fees and costs.

---

<sup>3</sup> This amount consists of  $(\$350 - \$275 = \$75 \times 10.50 \text{ hrs} = \$787.50) + (\$375 - \$350 = \$25 \times 14.0 \text{ hrs} = \$350) = \$1,137.50$ .

I award a total of **\$21,555.18** (representing \$12,435.00 in fees and \$9,120.18 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Laura Levenberg, Esq. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.<sup>4</sup>

**IT IS SO ORDERED.**
